LIFE

ABOUT US

Vitron's story started in the last quarter of 2019 in KOCAELİ/ TÜRKİYE, Vitron Farma is a manufacturer company that aims to be effective both in the domestic and foreign markets by reflecting its market power to the production field.

With its expert and experienced staff, it offers Food Supplements and OTC products to domestic and international markets and keep growing and expanding over the world. To achieve our customers demands in high quality products and fast delivery.

We embrace the science behind our products and ensure that we are transparent in providing a wealth of knowledge about each and every constituent. What you see on the label, is exactly what you get.

OUR GOALS

OUR GOAL'S STATEMENT

Our mission is to breakdown the barriers between you and the nutrients you need. Whether that means producing or simply ensuring every supplement is irresistibly delicious we carefully consider every composition to ensure that getting your nutrients has never been such an effortless joy.

OUR VALUES

OUR VALUES

We have a core set of values which drive the way we work: from everyday interactions with our customers to the formulation of our products.

Passionate

Passion drives us in the pursuit of accessible health and wellbeing for our customers. It's at the core of everything we do. We build strong relationships with others who share this passion.

Focused on Delighting

We strive to serve to delight our customers in every interaction they have with us and our products. That means learning from their experiences and focusing our products to meet their needs.

Knowledgeable & Creative

Consider us your learned, nutrition obsessed friend. Each of our vitamin supplements begins with a deep knowledge of each nutrient, studied to ensure our products are rich in benefits.

Diverse by Nature

We're a global company with people of multiple worldviews. We build relationships and embrace differences to build a better path forwards for everyone we work with.

Trustworthy

What's on the label is exactly what you get. Our products are designed with a high level of knowledge for optimal safety and efficacy in mind.

Our **Kid Gummies**

Kids gummies are the perfect way to ensure your child is getting the vitamins they need to stay fit and healthy. Best of all, they taste so good, they'll be coming back for more nutrient filled gummies.
